TC-0009 (01/18)

PART I – GENERAL PROVISIONS

1. Acceptance of Purchase Order

Agreement by Seller to furnish the materials, products, or services hereby ordered, or its commencement of such performance, or acceptance of any payment, shall constitute acceptance by Seller of this Purchase Order subject to these terms and conditions. In the event that this Purchase Order does not state price or delivery, Buyer will not be bound to any prices or delivery to which it has not specifically agreed in writing. Any terms or conditions proposed by Seller inconsistent with or in addition to the terms and conditions of purchase herein contained shall be void and of no effect unless specifically agreed to by Buyer in writing. Modifications hereof or additions hereto, to be effective, must be made in writing and signed by Buyers purchasing representative. These terms and conditions, together with any referenced exhibits, attachments or other documents, constitute the entire agreement between the Parties with respect to the subject matter of this Purchase Order; and supersede any prior or contemporaneous written or oral agreements pertaining to this Purchase Order.

2. Shipping Instructions

- (a) Seller shall be responsible for ensuring adequate and/or compliant packaging of materials hereunder. No charges will be allowed for packing, crating, freight, local cartage, and/or any other services unless so specified in this Purchase Order.
- (b) If Seller uses wood packaging materials such as pallets, crates, boxes, dunnages, cases, skids and pieces of wood used to support or brace cargo being imported into the United States, it shall be heat treated or fumigated with methyl bromide in accordance with EPA label instructions and include a mark that certifies the wood completed the required treatment under the "Guidelines for Regulating Wood Packaging Material in International Trade," of the International Standards.
- (c) Seller shall at all times comply fully with Buyer's written shipping instructions and Incoterms 2000 reflected on the Purchase Order. Unless otherwise directed, all items shipped on the same day from and to a single location must be consolidated on one bill of lading or airbill, as appropriate. Seller shall submit all required shipping papers to Buyer prior to final payment. For material purchased F.O.B. origin, Seller shall not insure and not declare a value except when transportation rates are based on "released value," in which instance Seller shall annotate on the bill of lading the lowest released value provided in applicable tariffs.
- (d) Purchase Order number(s) must appear on all correspondence, shipping labels, and shipping documents, including all packing sheets, bills of lading, airbills, and invoices.

- (e) Invoices shall be produced entirely in English and shall include the elements set forth in Exhibit A.

3. Delivery; Notice of Delay

- (a) Time is of the essence and failure to deliver in accordance with the delivery schedule under this Purchase Order, if unexcused, shall be considered a material breach of this Purchase Order. No acts of Buyer, including without limitation modifications of this Purchase Order or acceptance of late deliveries, shall constitute waiver of this provision.
- (b) Seller shall notify Buyer in writing immediately of any actual or potential delay to the performance of this Purchase Order. Such notice shall include a proposed revised schedule but such notice and proposal or Buyers receipt or acceptance thereof shall not constitute a waiver to Buyers rights and remedies hereunder.

4. Termination for Convenience

- (a) Buyer may, by notice in writing, terminate this Purchase Order or work under this Purchase Order for convenience and without cause, in whole or in part, at any time, and such termination shall not constitute default. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) In the event of termination for convenience by Buyer, Seller shall be reimbursed for actual, reasonable, substantiated and allocable costs, plus a reasonable profit for work performed to date of termination. Any termination settlement proposal shall be submitted to Buyer promptly, but no later than ninety (90) days from the effective date of the termination. In no event shall the amount of any settlement be in excess of the Purchase Order value. Buyer may take immediate possession of all work so performed upon written notice of termination to Seller.

5. Termination for Default

- (a) Subject to paragraphs (c) and (d) below, Buyer may, by notice in writing, terminate this Purchase Order in whole or in part at any time in the event that Seller breaches any one or more of its terms, fails to make progress so as to endanger performance of this Purchase Order, fails to provide adequate assurance of future performance, becomes insolvent, makes a general assignment for the benefit of creditors, or files or has filed against it a petition of bankruptcy or pursues any other remedy under any other law relating to the relief for debtors, or in the event a trustee or receiver is appointed for Seller's property or business. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) In the event of Seller's default hereunder, Buyer may exercise any or all rights accruing to it, both at law, or in equity.
- (c) If this Purchase Order is terminated for default, Buyer may require Seller to transfer title to, and deliver to Buyer,

as directed by Buyer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that Seller has specifically produced or acquired for the terminated portion of this Purchase Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest.

- (d) Buyer shall pay the Purchase Order price for completed supplies delivered or services performed and accepted. Seller and Buyer shall agree on the fair and reasonable amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property.

6. Force Majeure

- (a) Except for defaults of Seller's subcontractors at any tier, neither Buyer nor Seller shall be liable for any failure to perform due to any cause beyond their reasonable control and without their fault or negligence. Such causes include, but are not limited to, acts of God or of the public enemy, acts of the Government in its sovereign or contractual capacity, fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that performance of this Purchase Order is hindered, delayed or adversely affected by causes of the type described above ("Force Majeure"), then the Party whose performance is so affected shall so notify the other Party's authorized representative in writing and, at Buyer's option, this Purchase Order shall be completed with such adjustments to delivery schedule as are reasonably required by the existence of Force Majeure or this Purchase Order may be terminated for convenience pursuant to Section 4.
- (b) Failure of any relevant government to issue any required import or export license, or withdrawal/termination of a required import or export license by such relevant government, shall relieve Buyer of its obligations under this Purchase Order, and shall relieve Seller of its corresponding obligations.

7. Disputes

- (a) Any dispute arising under or in connection with this Purchase Order shall be governed by and interpreted in accordance With, Governing Law, below.
- (b) If a dispute cannot be resolved to both Parties' mutual satisfaction, after good faith negotiations, within ninety (90) calendar days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon, in writing, such dispute shall be settled in Haryana Court, India. by arbitration in accordance with the Rules of the Indian Arbitration Association.

The Arbitrator(s) shall have the authority but not the obligation to award the costs of arbitration and reasonable attorney's fees to the prevailing Party; however, if the Arbitrator(s) do not award such costs and fees, each Party will be responsible for its costs incurred in arbitration except that the costs and fees imposed by the Arbitrator(s) for their expenses shall be borne equally by the Parties.

- (c) Pending any final decision, or the settlement of any dispute arising under this Purchase Order, Seller shall proceed diligently, as directed by Buyer, with performance of the Purchase Order.
- (d) To the maximum extent permitted by law, the Parties waive any right to a jury trial.

8. Remedies

- (a) Except as otherwise provided herein, the rights and remedies of both Parties hereunder shall be in addition to their rights and remedies at law or in equity. Failure of either Party to enforce any of its rights shall not constitute a waiver of such rights or of any other rights and shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.
- (b) Buyer shall be entitled at all times to set off any amount owing at any time from Seller or any of its affiliated companies to Buyer, against any amount payable at any time by Buyer or any of its affiliated companies to Seller.

9. Proprietary Rights

- (a) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Section 9(d) below, all specifications, information, data, drawings, software and other items supplied to Buyer by Seller shall be disclosed to Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction.
- (b) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Section 9(d) below, all specifications, information, data, drawings, software and other items which are (i) supplied to Seller by Buyer or (ii) obtained or developed by Seller in the performance of this Purchase Order or paid for by Buyer shall be proprietary to Buyer, shall be used only for purposes of providing goods or services to Buyer pursuant to this Purchase Order, and shall not be disclosed to any third party without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in performance of this Purchase Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Purchase Order.

- (c) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Section 9(d) below, any invention or intellectual property first made or conceived by Seller in the performance of this Purchase Order or which is derived from or based on the use of information supplied by Buyer shall be considered to be the property of Buyer; and Seller shall execute such documents necessary to perfect Buyer's title thereto. Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase order and subject to Section 9(d) below, any work performed pursuant to this Purchase Order which includes any copyright interest shall be considered a work made for hire. Subject to Section 9(d) below, to the extent any of such works do not qualify as a "work made for hire", Seller hereby assigns to Buyer all its intellectual property rights, including its copyright rights, in such works effective immediately upon creation of such works, including when they are first fixed in a tangible medium.
- (d) Applicable Indian Government Procurement Regulations incorporated into this Purchase Order shall, when applicable, take precedence over any conflicting provision of this Section 9 to the extent that such Regulations so require. The incorporation by reference of such INDIAN Government Regulations dealing with subcontractors rights in Technical Data, subject inventions, copyrights, software and similar intellectual property are not intended to, and shall not, unless otherwise required by applicable law, obviate or modify any greater rights which Seller may have previously granted to Buyer pursuant to prior agreements between the Parties.

10. Buyer's Property

- (a) All drawings, tools, jigs, dies, fixtures, materials, and other property supplied or paid for by Buyer shall be and remain the property of Buyer; and if Seller fails to return such property upon Buyer's demand, Buyer shall have the right, upon reasonable notice, to enter Seller's premises and remove any such property at any time without being liable for trespass or damages of any sort.
- (b) All such items shall be used only in the performance of work under this Purchase Order unless Buyer consents otherwise in writing.
- (c) Material made in accordance with Buyer's specifications and drawings shall not be furnished or quoted by Seller to any other person or concern without Buyer's prior written consent.

- (b) This warranty entitlement shall inure to the benefit of both Buyer and Buyer's customers. As used in this Purchase Order, Buyer's customer(s) shall include its direct and indirect customers such as direct sale end-users, higher-tier subcontractors, prime contractors and the ultimate user under relevant prime contract(s).

- (c) Seller shall be liable for and save Buyer harmless from any loss, damage, or expense whatsoever that Buyer may suffer from breach of any of these warranties. Remedies shall be at Buyer's election, including repair, replacement or reimbursement of the purchase price of nonconforming materials and, in the case of services either correction of the defective services at no cost or reimbursement of the amounts paid for such services.
- (d) For purposes of this Section 13 Warranty, a Counterfeit Item is defined to include, but is not limited to, (i) an item that is an illegal or unauthorized copy or substitute of an OEM item; (ii) an item that does not contain the proper external or internal materials or components required by the OEM or that is not constructed in accordance with OEM design; (iii) an item or component thereof that is used, refurbished or reclaimed but Seller represents as being a new item; (iv) an item that has not successfully passed all OEM required testing, verification, screening and quality control but that Seller represents as having met or passed such requirements; or (v) an item with a label or other marking intended, or reasonably likely, to mislead a reasonable person into believing a non-OEM item is a genuine OEM item when it is not.

14. Inspection

Buyer may require Seller to repair, replace or reimburse the purchase price of rejected material or Buyer may accept any materials and upon discovery of nonconformance, may reject or keep and rework any such materials not so conforming. Cost of repair, rework, replacement, inspection, transportation, repackaging, and/or reinspection by Buyer shall be at Seller's expense. Buyer's acceptance of material, products and services shall not be deemed to diminish Buyer's rights or be final or binding on Buyer if latent defects, fraud, or misrepresentation on the part of Seller exists.
- (b) If inspection and test are made on the premises of Seller or Seller's lower-tier subcontractors, Seller shall furnish without additional charge all reasonable facilities, information and assistance necessary for the safe and convenient inspection and tests required by the inspectors in the performance of their duty. The foregoing provisions of this Section are supplementary to and not in lieu of the provisions of Section 14(a) above.
- (c) Buyer's failure to inspect does not relieve Seller of any responsibility to perform according to the terms of this Purchase Order.

15. Changes

- (a) Buyer shall have the right by written order to suspend work or to make changes from time to time in the services to be rendered or the materials to be furnished by Seller hereunder or the delivery date. If such suspension or changes cause an increase or decrease in the cost of performance of this Purchase Order or in the time

required for its performance, an equitable adjustment shall be negotiated promptly and the Purchase Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this Section 15(a) must be asserted in writing within twenty (20) days from the date of receipt by Seller of notification of the change or suspension and shall be followed as soon as practicable with specification of the amount claimed and supporting cost figures. However, nothing herein shall excuse Seller from proceeding with this Purchase Order as changed pending resolution of the claim.

- (b) Information, advice, approvals or instructions given by Buyer's technical personnel or other representatives shall be deemed expressions of personal opinion only and shall not affect Buyer's and Seller's rights and obligations hereunder unless set forth in a writing which is signed by Buyer's purchasing representative and which states it constitutes an amendment or change to this Purchase Order.

To the extent that Buyer is required to do so under applicable law or tax regulations, Buyer may deduct from any payments due to Seller pursuant to this Purchase Order such taxes as Buyer is required to withhold from such payments and pay such taxes to the relevant tax authorities; provided, however, that Buyer provides Seller with relevant tax receipts or other suitable documentation evidencing the payment of such taxes promptly after such taxes are paid.

Buyer shall not be obligated to any subcontractor for the materials, products or services of any subcontractor whether or not Buyer has consented to or designated a subcontractor. Approval of a subcontractor is not a release or waiver of any obligation of Seller or right of Buyer. Seller is responsible for all actions or inactions of any subcontractor and shall bind its subcontractors for the benefit of Seller and Buyer to perform its obligations under these terms. If Seller subcontracts any part of the work outside the country of purchase, Seller shall be responsible for customs formalities and clearances to the country of Purchase Order placement, unless the Purchase Order states otherwise, and Buyer may direct the contract of carriage. Seller shall agree with Buyer on a mutually acceptable customs broker, but Seller shall in no way be relieved from its responsibilities for customs formalities and clearances, including the actions of the selected customs broker.
